

WRITE IN ON THE JUNE 2 PRIMARY

SEAN FORBES

FOR GOVERNOR

PRIMARY ELECTION · TUESDAY, JUNE 2

Writing In Sean Forbes Is Easy.

Five simple rules. Follow them and your vote counts.

1 WRITE SEAN FORBES ON THE WRITE-IN LINE

Find the line marked **WRITE-IN** under Governor and print **Sean Forbes** clearly.

2 HANDWRITE ONLY. NO STICKERS, STAMPS, OR LABELS.

By statute, pressure-sensitive stickers, glued stamps, and any other device not provided for in the voting procedures are **not counted**. Mark the ballot the way its instructions tell you.

3 DON'T ALSO MARK A PRINTED CANDIDATE

Marking a printed name *and* writing in another is an overvote — **neither** vote counts for that office. Write in **Sean Forbes** and leave the printed bubbles blank.

4 YOUR VOTE GOES ON THE RECORD

All valid write-ins are tabulated and certified by elections officials on prescribed forms and added to the official precinct returns.

5 IF THERE'S A BUBBLE NEXT TO THE WRITE-IN LINE, FILL THE BUBBLE

This is the one that trips people up most. When a voting space is provided next to the write-in line, the law requires you to mark it. Writing the name alone is **not enough** — you must fill the bubble *and* write the name.
